PGA Junior League

PGA Junior League (PGA JLG) is designed to better socialize the game for boys and girls ages 8-13. PGA JLG features team vs. team competitions in structured leagues that provide a popular, less stressful scramble format. This is a great way to get juniors involved in the game! PGA JLG is a great way to get the entire family involved in the game, with parents as spectators, team captains, and even coaches.

Practices start in April
Matches start in May.
